TABLE & DESK

Six lamps for desks, bedsides and consoles. Tap a lamp for specs.

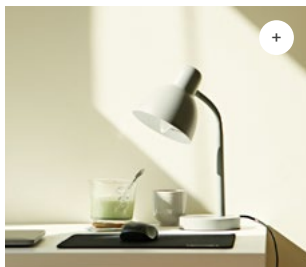

NOVA

AED 340

Soft-curved shade on a slim brass stem. Warm, glare-free task light.

7W · 2700K · CRI 92

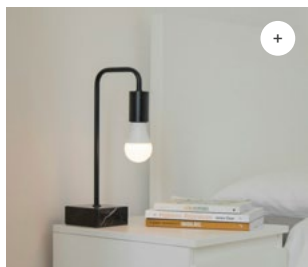

ORBIT

AED 295

Compact dome with a weighted base, made for focused work.

6W · 3000K · CRI 90

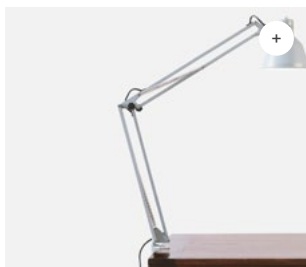

FILO

AED 260

A bare globe on a marble block. Minimal and quietly sculptural.

5W · 2200K · CRI 90

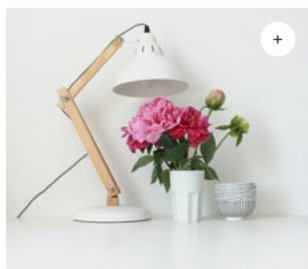

ATELIER

AED 420

Spring-balanced arm with a clamp mount for studio desks.

9W · 4000K · CRI 95

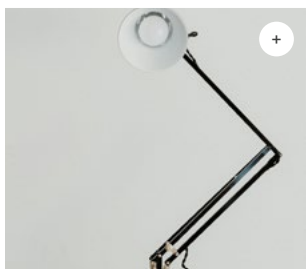

LINEA

AED 385

Natural oak arm, white steel head. Warm craft for the home office.

8W · 3000K · CRI 92

PIVOT

AED 360

Three-joint arm that reaches exactly where the light is needed.

8W · 2700–6500K

FLOOR LAMPS

Statement pieces that light a whole corner. Switch models below.

ARCO

AED 1,450

A sweeping steel arc that drops a pool of warm light over sofas and reading chairs — no ceiling wiring needed.

POWER
14 W LED

OUTPUT
1,300 lm

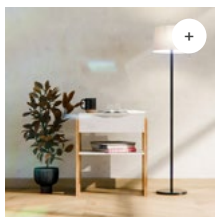

COLOUR
2700K

REACH
180 cm

ARCO

TRIPOD

BEAM

LUNA

AED 720

FLOOR LAMP

Pleated white shade on a slender stem. Calm light for bedrooms.

8W · 2700K · FOOT SWITCH

COLOUR TEMPERATURE GUIDE

2700K

Warm — living & bedroom

4000K

Neutral — kitchen & bath

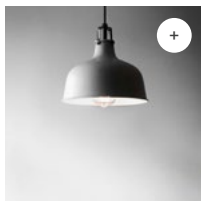

6500K

Daylight — study & work

Every OMNIA lamp lists its colour temperature, so you can match the light to the room.

P E N D A N T & W A L L

Ceiling and wall fittings for dining, kitchens and halls.

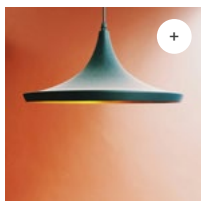

DOME

AED 540

PENDANT

Industrial metal dome for kitchen islands and counters.

12W · 2700K · Ø 30 CM

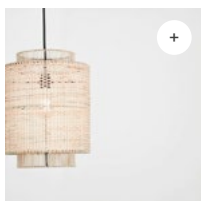

BELL

AED 610

PENDANT

Spun-metal bell with a warm gold interior that glows.

10W · 2700K · Ø 36 CM

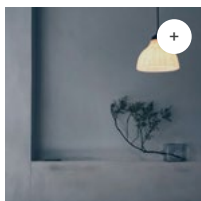

WEAVE

AED 690

PENDANT

Hand-woven rattan cylinder that throws soft, patterned light.

10W · 2400K · Ø 32 CM

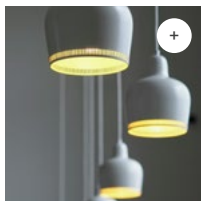

RIBBON

AED 480

PENDANT

Ribbed opal shade for a calm, even glow over dining tables.

9W · 2700K · Ø 24 CM

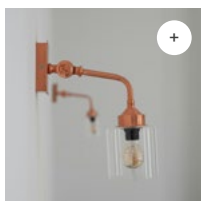

TRIO

AED 1,290

PENDANT CLUSTER

Three ceramic bells on one canopy, staggered in height.

3 × 6W · 2700K

HALO

AED 450

WALL LIGHT

Copper swing-arm sconce with a clear glass shade.

4W · 2200K · SWING ARM

WHY OMNIA LED

Better light, less energy.

Every OMNIA fitting is designed in Dubai around high-quality, flicker-free LEDs — so your home looks right and your bills stay low.

85%

less energy than halogen

50,000 h

rated life — over 15 years

CRI 90+

true-to-life colour

5 years

warranty on every lamp

Energy figures compared with an equivalent halogen lamp.
